

## How to unshade boxes from a Windows-Based PowerPoint 2003 presentation.

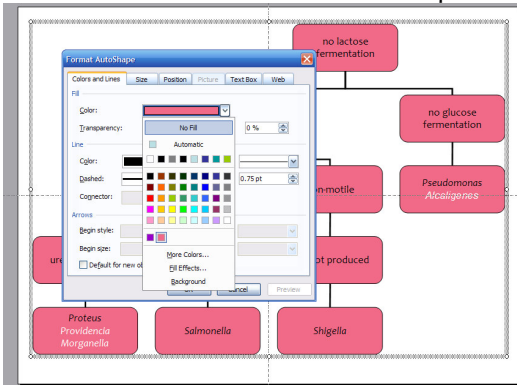

1. Click on the box whose color you wish to change.

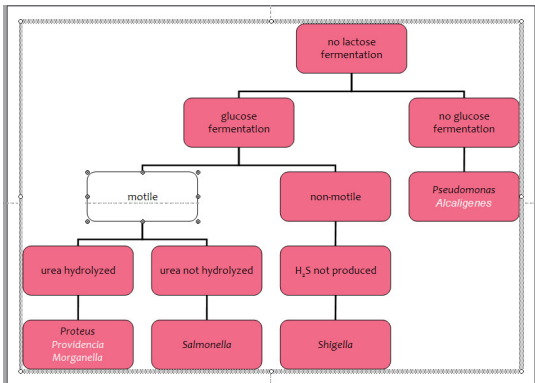

2. Right click over that box to make this pop-up menu. Place your arrow over "Format AutoShape" and left click:

3. Then choose No Fill from the Color drop-down menu.

4. Click the OK button.

5. Repeat these steps for the any other boxes you wish to uncolor.
